SANDPIPER II GIVES GEMINI FURTHER BOOST

9/81

For Immediate Release :
June 22, 1981.

General Motors-Holden's Limited has announced a special limited edition Gemini. Called the Sandpiper II, it will further strengthen Gemini sales.

The Gemini continues to be Australia's top selling small four cylinder car, a position it has held since the beginning of 1979.

Featuring a unique eye-catching colour scheme, the Sandpiper II has a high level of standard equipment, including remote control exterior mirrors, cloth insert seats and extensive carpeting. It is powered by the spirited Gemini 1600 OHC 4 cylinder engine.

The limited edition Gemini is keenly priced, with a recommended retail price of \$6,411.

The two tone paint treatment of Sandalwood and Torquay Sand, is further enhanced by the prominently displayed Sandpiper II decal.
